Accounting Firm Gives “Clean Audit” to City of Buda

BUDA, TEXAS – Weaver & Tidwell LLP, certified public accountants, have issued an unmodified (or “clean”) opinion on the City of Buda’s financial statements for the year ended Sept. 30, 2022.

Specifically, the accounting firm wrote in its report, “In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America”.

“Good stewardship of taxpayer dollars, government grants, and other sources of funding mean little without proper accountability. The Finance Department works to ensure that it is taking the appropriate measures and due diligence in all aspects of the City’s financial resources. Much appreciation goes to all staff who assisted and contributed to the preparation of this report and we gratefully acknowledge the leadership of the Mayor, members of the City Council, the Audit Committee, and the City Manager,” Bianca Redmon, Director of Finance, said.

The City of Buda Annual Comprehensive Financial Report can be found on the City’s website at <https://www.budatx.gov/DocumentCenter/View/11083/City-of-Buda-2022-ACFR>.
